Taweez or talisman is a Islamic amulets that was very necessary for Muslims to protect them from the evil eye. There are many designs of taweez with different shapes, designs and colors. Offering taweez is most highly recommended for children because it gives them immunity against shaitan or shaytan which means Satan in Arabic language. The most commonly used Taweez are geometric shapes like pentagon, hexagon, triangular pyramid etc. These geometric shapes are usually inscribed on pure silver or brass plates with engravings on them that have no current significance except their connection with Islam.
